Remarks

Beautiful Wolverine Lake !!! Lake living at it's best. A very rare opportunity to own this very nice 3 bedroom, 1 bath home just a very short walk down the street to the beach and boat launch. Updated kitchen with granite counter tops. Freshly painted. Partially finished basement with a big fenced yard. Deeded lake and beach privilege"s. All Appliances stay. Hurry this will not last long. Great tree lined street in a quiet neighborhood. Close to many parks to enjoy music, tennis , pickel ball and much much more. Walled lake school district. This is a must see !!!
